Nov. 25, 1979 – Largo, MD
During Sara a fan threw panties up at Stevie, which she caught and waved around as she sang the rest of the song. The band stayed at the brand new Lenfant Plaza Hotel on the mall in Washington DC for 3 days, and the night before the concert had a private birthday party for John McVie at a DC club. Stevie gave him a baseball cap with wings as a gift. Bob Welch was at this party, as was Dennis Wilson and members of The Eagles. Bootleg is circulating.
